Board Policy**

CEMETERY BOARD MEMBER CODE OF ETHICS

Policy 13

As a member of my local Board of Trustees I will:

Attend all regularly scheduled board meetings insofar as possible, and become informed concerning the issues to be considered at those meetings; I understand that Wyoming Statute allows for only three consecutive absences to remain an active member unless advising of absence in advance or due to temporary mental or physical disability or illness.

Recognize that I should endeavor to make policy decisions only after full discussion at publicly held board meetings;

Render all decisions based on the available facts and my own independent judgment, and refuse to surrender that judgment to individuals of special interest groups;

Encourage the free expression of opinion by all board members;

Work with other board members to establish effective Board policies and to delegate authority to employees when appropriate;

Support the employment of those persons best qualified to serve the cemetery district and insist on a regular impartial evaluation of all staff;

Avoid being placed in a position of conflict of interest and refrain from using Board position for personal or partisan gain;

Take no private action that will compromise the Board and respect the confidentiality of information that is privileged;
