Board Policy**

QUORUM

Policy 23

A majority of the elected Board Members in the District shall constitute a quorum for the transaction of business at any Board meeting. At any meeting where the quorum is present in person or by telephone, the majority of the quorum present may take action.

If a quorum is not present the members in attendance may adjourn the meeting to another time. Notice will be given to all members of the Board of the time and place of the adjourned or recessed meeting. Should a meeting of recess occur a notice of time and place to reconvene must be conspicuously posted on or near the door of the District's offices.
